

Welcome to Destination Missoula!

We strive to make our online community a welcoming space for people to connect about all the things that make Missoula an incredible place to experience and call home.

We developed the following community guidelines to facilitate mindful and respectful engagement for everyone:

Do:

- *Be courteous and considerate of others at all times.*
- *Exercise respect and practice tolerance, even when there are differences of opinion. Not everyone shares the same beliefs, and some topics may lead to healthy debate, but it is never okay to personally attack another person.*
- *Welcome newcomers. Our channel is focused on sharing the beauty of Missoula with everyone. We aim to grow our online community and encourage people to engage with one another in a kind and meaningful way.*
- *Be yourself. Do not impersonate any person or entity, or falsely state or misrepresent your relationship with a person or entity.*
- *Keep it relevant. Do not post content or comments that are unrelated to the content on our social media channels*

Don't:

- *Use obscene, inflammatory, hateful or profane language. Spam, defamation of any person, or promotion of sexually explicit material or violence will not be tolerated.*
- *Personally attack, or post comments that target or disparage others based on race, ethnicity, gender, religion, nationality, disability, sexual orientation or age.*
- *Use Destination Missoula for any unlawful purpose or advocate illegal activity using Destination Missoula social media channels.*
- *Post copyrighted information without prior permission from the author.*
- *Breach the terms of the social media platforms themselves.*

Please be aware that if these guidelines are not honored, Destination Missoula may hide or delete comments made on our channels.

Please contact us at nikki@windfallstudio.com if you have any questions or concerns about activity on our social media channels, either by Destination Missoula or our online community.
